Sub :- Registration of Manufacturers and Authorized Suppliers of
Renewable Energy based Products.

Dear Sir,

Please refer your request letter No. DNIL/SM/1032 dated 12/12/2008 alongwith the enclosed documentary material. We have scrutinized the relevant "Documents/Certificates" furnished by you and the results of field trials of Solar Mac ® 7 Electrochlorinator conducted under the guidance of this office from 04/06/2008 onwards. It is observed that the said Electrochlorinator can satisfactorily disinfect traditionally used (untreated) natural spring water or well water/tap water into potable quality.

In view of the above, we are pleased to register the firm De Nora India Limited (Plot Nos. 184, 185 & 189, Kundaim Industrial Estate, Kundai, Goa) as an eligible "manufacturer/supplier" of the Solar Photo-Voltaic (SPV) powered product described below:

Product: - Solar Powered Electrochlorinator

Trade Name: - Solar Mac ® 7

Composition of the Product:

- Generator Module/Electrolyser equipped with DSA ® anodes
- Solar Photo-Voltaic Panels (3 X 60 Wp) manufactured by eligible Firms recognized by Ministry of New and Renewable Energy (MNRE), Govt. of India, New Delhi.
- Solar Charge Controller (CE compliant).
- Two deep discharge Batteries (each of 12V/60 Ah) (As per EN 61427:2002/IEC 61427:1999).
- Power cables certified by BIS.

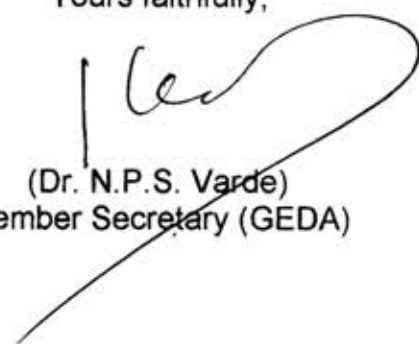

This registration is valid till 31/12/2010 and is subject to the following conditions:

- i) The manufacturer will not change the product specifications cited above, during the validity period of this registration.
- ii) The manufacturer will submit the details regarding the total number of units of the above product installed alongwith the "names/addresses/phone numbers" of the beneficiary customers during the period of validity of this registration.
- iii) Application for renewal of this registration should be submitted atleast one month prior to the expiry date.

This office reserves the right to modify the conditions of this registration or cancel the registration if so warranted by changes in technology or poor feedback about the performance of the Product, respectively.

Yours faithfully,

(Dr. N.P.S. Varde)
Member Secretary (GEDA)
